

The Annual Quality Assurance Report (AQAR) of the IQAC
Period (2014-2015)

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Honorary counselling to students and community regarding various social, political and legal issues through NSS camps, Women Cell and Legal Literacy Cell Psychology Dept., Tutorial groups and Arya Yuvati Parishad.
 - Personal attention to students through tutorials so as to ensure safety of the students in the institution.
 - Modernisation of teaching through the use of smart-boards and LCD projectors/visual techniques.
 - Lectures through EDUSAT.
 - Use of problem solving approach to redress the student's grievances.
 - Computer training to teaching and non-teaching staff.
 - Organising National level seminars/State level conferences.
 - Cordial relationship between teacher and taught.
- All these innovations have made the institutions the most coveted institutions of the region.

*** Annexure (IV) attached for details of the activities conducted.**

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. **Awareness for jobs, safety, career and environment.**

Society needs to enhance its efforts for women empowerment and to boost the progress being made by women. It is constitutional, moral and social responsibility to confirm women's progress giving women equal opportunities and rights. Our Institution lays more emphasis on overall personality development of students.

Goals:-

1. To make them self dependent and sensitize them for their career and safety.
2. Women empowerment through value based education.
3. To develop social consciousness.
4. To create awareness about different types of careers.
5. To make them self dependent citizens.

The Context:

Dayanand Mahila Mahavidyalaya portrays the ideals of Maharshi Dayanand who always advocated equal rights for women such as right to education and reading of Indian scriptures. Present day scenario demands economic independence of women through education.

The Practice:

Carrer Guidance Cell, Placement Cell, NSS, NCC, Women Cell, Legal Literacy Cell and Tutors are dedicated to provide their services and counselling to girl students to be self dependent and career conscious.

Few practices:

1. Students are trained for self employment by giving them expertise in the thinks like making of soft toys, flower making, mehandi, makeup, ornamental things from waste material, shorthand practice and fashion designing etc.
2. By organising lectures/classes on various careers like Teaching, Banking, Administrative exams, Net exams and HTET exam etc.
3. Zudo classes for women safety are organised from time to time by NSS.
4. Distributing plants every year for the students who have space in their houses under the scheme "Haryala Angan".

Counselling:

Doctors, academicians, & social activists are invited from time to time to counsel the students for

1. Inculcating moral values.
2. Taking care of their mental and physical health & hygiene.
3. Conducting programmes to counsel students for best career options.
4. Counselling for personal problems.

Outcome of all these programmes, campaigns & counselling is very encouraging. Students became confident about their role and position in the society.

Evidence of success

- Some of the students are running NGO's.
- Many of students are well settled in their careers like Banks, Teaching, Govt./Non-Govt. Offices and Clerical posts.
- Students are becoming career conscious.
- Students are becoming more confident.

Activities:

Career and Placement Cell organises various extension lectures to make the students aware of different careers and competitive exams.

Eco- club has been established in our college to make the students aware about environment protection. Besides this club, NSS, NCC unit and various other societies also organize different activities from time to time to encourage the students to keep the environment clean and green.

Free medical facilities, health checkups and health awareness campaigns are organized by Red-Cross, NSS, NCC in an integrated manner for students.

Women Cell and Legal Literacy Cell organized Extension lectures, plays, Seminars, Legal Aid Camps, Legal Literacy Camps for sensitizing on social legal and political issues like gender discrimination, human rights, dowry menace etc. Providing knowledge about various women related laws, is a regular feature for personality development.

Problems encountered:

Most of the students and women who were contacted belong to poor socio economic background and belong to rural areas. So many problems are encountered due to

1. Lack of awareness.
2. Low literacy rate.
3. Orthodox mindset.
4. Conservative society.

Resources required

1. More professionals, experts/counsellors are required to impart training.
2. Conveyance facility (so as to reach the community).

2. Emphasis on morality- perspective and multidimensional approach

Students are future of India. The future of a country depends on the moral values imparted to them in their student life. Our institution tries to apprise the students to the wider aspects of morality and its much dimensional effects. Morality is neither religious nor spiritual. It denotes values. Students are made to grasp the things so that their life style and social approach should not be based on religious dogmas but on ethics.

Goals:

1. To empower the students through value based education.
2. To develop constructive, positive and scientific approach towards life.
3. To adopt spiritualism as a way of life.
4. To prepare the students fight against social evils.
5. To inculcate patriotic feelings among students.

The context

Swami Dayanand ji's mission was not to start or setup any new religion but to ask mankind for universal brotherhood. Swamiji founded Arya Samaj enunciating the ten universal principles. Swamiji

had a scientific & logical approach towards everything and throughout his life he advocated & practised the same.

The Practice

‘Vedic Yajna’ is regularly performed in our institution. Students, teachers and non-teaching staff is systematically trained from time to time by organizing workshops on ‘Vedic Sanskriti’, ‘Vedic Chintan’ and the importance and need of moral values.

In Yajna, the light from the flame of the fire is a symbol of knowledge replacing ignorance. Enlightenment of mind is enhanced by the act of chanting mantras. This form of prayer not only brings peace to the soul but its daily repetition is also an act of mental concentration that enables the mind to memorise the wisdom contained in the vedic mantras.

The desire to improve the environment is not just for the personal good but for the good of all, fostering a spirit of universal good.

Few Practices:

1. In Inter-college Debate and Declamation contests, special prizes on topics related to Arya Samaj are given.
2. Tests are conducted on moral values (Arya Gyan Preeksha is conducted every year)
3. Workshops are also conducted related to moral education.
4. In tutorial periods, teachers counsel the students regularly on various moral issues.
5. One student is awarded a prize (The best in performing Yajna) every year.

Counselling: - Extension lectures are organized for the overall multidimensional personality development of students to make them good human beings.

Evidences of Success

- Stable, patient, well mannered students
- Improved concentration among students.
- Increase in confidence
- Many of the students are seen spreading the ideals of our institution, by practising them in their personal as well as professional life.
- Many of our students are engaged in literacy programmes for adults & self employment.

Activities:

In tutorial groups teachers always interact with students, listen to their difficulties and problems which they face either in family or society and try to counsel them. In this age of consumerism and competition, they are told to be stable and patient in their life.

Problems Encountered:-

In today's world students do face difficulties/ problems at social/ professional level which distracts them. There is a wide gap also in the mindset of rural and urban people. They became imbalanced due to.

- Hard competition.
- Fear of unemployment
- Pressure of higher studies.
- Role of media
- Increasing materialism

Resources Required

1. Mindset to control/ limit their needs.
2. More means in practice to give them social security (Sense of security)
3. Counselling to follows straight path. 'There is no shortcut to success.'

**Provide the details in annexure (annexure need to be numbered as i, ii,iii)*

7.4 Contribution to environmental awareness / protection

Eco- club has been established in our college to make the students aware about environment protection. Besides this club, NSS, NCC unit and various other societies also organize different activities from time to time to encourage the students to keep the environment clean and green. 'Environmental studies' is taught as a compulsory paper to the students of all classes e.g. BA, B.Com, BTM & B. Sc. in 1st year so that students can be aware of problems of environment pollution. Moreover, Havan Yajna is also performed every Monday to keep the campus environment pollution free.

Activities performed during the year 2014-15

1. 09-08-2014 Tree plantation in the college and nearby areas to celebrate Van Mahotsav by NSS.
2. 15-09-2014 Tree plantation in the gardens near our college to keep the environment good.
3. 02-10-2014 One day camp in the college was organised to clean the whole campus. 110 students of NSS participated in this camp and took an oath to keep the environment clean & pollution free.
4. From 1-11-2014 to 7-11-2014, Seven days camp was organised in the College by NSS in which the volunteers of NSS and NCC cadets took the initiative to clean the rooms, laboratories, computer labs, library and whole campus.
5. Two days workshop was organised on Havan-Yajna on 29-30th December 2013 by Arya Yuvti Parishad in the which the students were guided how to perform yajna with a view to keep the environment pure & pious.
6. On 24th August 2014 Plants distribution programme was organised by Eco club. Chief guest Swami Vivekanand Parivrajak distributed the plants among the students and briefed the students about the utility, importance & protection of trees in maintaining the environment

pollution free. He also explained the threats which would be faced by the coming generations due to global warming.

7. Students are always motivated not to use the polybags in the campus or outside the campus.
8. Initiative by the office was taken to replace the old lights/bulbs with LEDs to conserve energy.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

1. Dedicated, hard- working and Meritorious faculty.
2. Co-operation among faculty members.
3. We organise extra- curricular activities besides academic activities.
4. We always have better results as compared to KUK (locally situated) affiliating University.
5. Students get the opportunity to attend lectures of eminent Resource Persons of National and International repute.
6. Planning of syllabi of all subjects is taken. We enrich syllabus by providing background information in details.
7. Assignments and regular class tests are so devised to dispel the examination fear of students.
8. Proper utilisation of available campus space.
9. Achievements in academic, co-curricular and sports activities.
10. Good results, Merit positions and achievements in co-curricular activities at Zonal, Inter-zonal, State, National, University and Intervarsity level.

Weakness:

1. Shortage of space. No separate rooms could be allotted to each department. Play grounds and courts for different games could not be developed in the campus.
2. Lack of technical support staff.
3. Students intake of comparatively lower academic performance due to Kurukshetra University being locally situated.
4. Students from rural background are not well aware of professional courses.

Opportunities:

- New and relevant courses can be started.
- Students can use internet facility in labs and library and be updated.

Threats:

1. More competition as the number of educational institutions is increasing.

2. Lengthy syllabi are to be completed in short time due to semester system. With students of less calibre, it becomes all the more challenging.
3. Frequent changes in curriculum are not informed in time so students and teachers both face difficulty in completing the syllabi.
4. To keep pace with latest technology especially for the students with rural background.
5. Students of high merit prefer Kurukshetra University to this college in spite of better results of our college.

8. Plans of institution for next year

- To construct a new-building with fully equipped classrooms for new classes of science and commerce.
- To construct/create a barrier free environment for differently abled (ramps).
- To undertake the various extension activities.
- To motivate the teaching faculty to prepare E-content or PPTs for effective teaching & learning.
- To organise various cultural and sports activities.
- To organise National/International seminars, workshops, FDPs etc.
- To provide consultancy to students & community.
- To organise Excursion Trips.
- To increase library resources.
- To ensure maximum participation of faculty and students in Seminars/Conferences/Workshops.
- To organised extension lectures on various topics.
